

St Christophers Playgroup

1.11 Valuing diversity and promoting equality

Policy statement

We will ensure that our service is fully inclusive in meeting the needs of all children. We recognise that children and their families come from diverse backgrounds. All families have needs and values that arise from their social and economic, ethnic and cultural or religious backgrounds. Children grow up in diverse family structures that include one or two parents of the same or different sex. Some children have close links with extended families of grandparents, aunts, uncles and cousins while others may be more removed from close kin or may live with other relatives or foster carers. Some children have needs that arise from disability or impairment or may have parents that are affected by disability or impairment.

Some children come from families who experience social exclusion or severe hardship; some have to face discrimination and prejudice because of their ethnicity, the languages they speak, their gender, religious or belief background.

We understand that these factors can affect the well-being of children and can impact on their learning and attainment.

1. Our setting is committed to anti-discriminatory practice to promote equality of opportunity and valuing diversity for all children and families using our setting. We aim to:
 - provide a secure and accessible environment in which all our children can flourish and in which all contributions are considered and valued;
 - include and value the contribution of all families to our understanding of equality and diversity;

- promote a positive non-stereotyping environment that promotes dignity, respect and understanding of difference in all forms
- improve our knowledge and understanding of issues of anti-discriminatory practice, promoting equality and valuing diversity; and
- make inclusion a thread that runs through all of the activities of the setting.
- Challenge and eliminate discriminatory actions on the basis of a protected characteristic as defined by the Equality Act (2010) namely:
 - age;
 - gender;
 - gender reassignment;
 - marital status;
 - pregnancy and maternity;
 - race;
 - disability;
 - sexual orientation; and
 - religion or belief.
